TYPOGRAPHY

The Look Partnership produces craft-driven lifestyle communications for consumers and industry.

As collaborators we offer creative passion, stylistic vision and production expertise.

The idea of "Partnership" is inclusive: we work closely with our clients to portray business objectives, creatively, with clarity.

The Look Partnership was founded to simplify our clients' marketing efforts by providing end-to-end service, including:

Planning
Creative Development
Photography and Design
Model Casting and Art Direction
Creative Services/Retouching/Production
Printing
Web Development

Thank you for your interest in The Look Partnership. —Melissa Manning and Jeff Warrington
